HARDY SHELTER

Product Code: SFD113

PRODUCT DESCRIPTION

The Hardy Shelter features a minimal design, whilst providing strength and durability to withstand any weather conditions. The design is easily expanded in multiples of 4m to accommodate numerous external needs such as bicycle parking, scooter parking, motorcycle parking, entrances and walkways, waiting areas and smoking/vaping areas.

As standard it comes galvanised and can be powder coated in a range of colours. The shelter roof is clad using clear polycarbonate sheeting. Coloured Plastics and alternative material options are available.

Please note this product arrives flat packed and will require experience to build and install. Appropriate groundworks and foundations must be prepared before installation. Contact our team for more information and installation guides.
