

ECO 5 SPACE CYCLE STAND

Product Code: SFD447

PRODUCT DESCRIPTION

A simple solution for bike storage, the Eco 5 Space Cycle Stand accommodates 5 Bikes and can be arranged in rows. This is a popular option for many of our customers due to ease of the design and installation of the Eco 5 Space Cycle Stand.

This Cycle Stand can be used everywhere from outside shops to your countryside cafe. Made of galvanised steel tubing. Usable on both sides and will fit road bikes, mountain bikes with wide tyres and everything else inbetween. Free Standing or Anchored to the ground.
