

LO HOOP CYCLE RACK

Product Code: SFD420

PRODUCT DESCRIPTION

The Lo Hoop Cycle Rack is available in 2 to 6 bike spaces and can be installed together to create longer cycle parking spaces. It provides easy and simple bike parking. The High and Low spaces allow bikes to be closer together by raising the handle bars of every other bike. Manufactured from Strong Galvanised steel. Accepts tyres up to 55mm. Ideal for domestic, retail and all public areas. Surface mounted.
