

HYDE PARK SEAT

Product Code: SFD214

PRODUCT DESCRIPTION

The two-tone Hyde Park Seat is a new take on the traditional park seat design. With clean, minimalist lines and a fresh, unconventional look, the Hyde Park range is a perfect balance of form and function.

All our recycled plastic seating is weather, oil, acid & seawater resistant, and is UV protected. It doesn't degrade or splinter like timber. It doesn't absorb water and the surface is fast drying. Recycled plastic is made from recycled materials and can be 100% recycled at end of life, making it an environmentally friendly option.

If you need some advice, call us and speak to one of our trained advisers.
