

TRAFALGAR SEAT

Product Code: SFD212

PRODUCT DESCRIPTION

The Trafalgar Seat is a re-interpretation the classic park bench using modern materials. Available in two different lengths, this bench fits perfectly into natural surroundings like conservation areas, forest tracks and lawns.

All our recycled plastic seating is weather, oil, acid & seawater resistant, and is UV protected. It doesn't degrade or splinter like timber. It doesn't absorb water and the surface is fast drying. Recycled plastic is made from recycled materials and can be 100% recycled at end of life, making it an environmentally friendly option.

If you need some advice, call us and speak to one of our trained advisers.

SPECIFICATIONS
