

SUTTON SEAT

Product Code: SFD210

PRODUCT DESCRIPTION

The distinctive sledge-runner shape of the legs makes the Sutton a real eye-catcher. It's an obviously modern design but it doesn't lose touch with traditional charm. The Sutton always looks good, even as part of a seating group and comes in three different sizes.

All our recycled plastic seating is weather, oil, acid & seawater resistant, and is UV protected. It doesn't degrade or splinter like timber. It doesn't absorb water and the surface is fast drying. Recycled plastic is made from recycled materials and can be 100% recycled at end of life, making it an environmentally friendly option.

If you need some advice, call us and speak to one of our trained advisers.

SPECIFICATIONS

Length	2000mm
Width	460mm
Height	770mm
Fixing	Surface Mounted
Material	Recycled Plastic
Colour	Natural
