

MIRA BENCH

Product Code: SFD249

PRODUCT DESCRIPTION

This bench without a backrest reduces sitting to the essential. It can be used in combination with the table model from the same programme to create groups of seating, which impart a sense of hearty, camp-fire romanticism.

All our recycled plastic seating is weather, oil, acid & seawater resistant, and is UV protected. It doesn't degrade or splinter like timber. It doesn't absorb water and the surface is fast drying. Recycled plastic is made from recycled materials and can be 100% recycled at end of life, making it an environmentally friendly option.
