STELVIO PICNIC TABLE

Product Code: SFD241

PRODUCT DESCRIPTION

The Stelvio Picnic Set is one of our most distinctive sets. The table and bench planks are made of recycled plastic but they are supported by a tubular steel frame. Sturdy and stylish, the Stelvio works well with modern architecture in urban or commercial landscapes.

All our recycled plastic seating is weather, oil, acid & seawater resistant, and is UV protected. It doesn't degrade or splinter like timber. It doesn't absorb water and the surface is fast drying. Recycled plastic is made from recycled materials and can be 100% recycled at end of life, making it an environmentally friendly option.

If you need some advice, call us and speak to one of our trained advisers.
