

SIGNET LED PATH LIGHT

Product Code: SFD561

PRODUCT DESCRIPTION

The Signet LED Path Light is a contemporary aluminium LED Post Light in silver grey, with a long, curved body, a lot like a swan neck. This streamlined shape is perfect for lighting pathways and flowerbeds, acting as a bright LED downlight, and gives the Signet a look of elegance. With an IP rating of IP54, and with it's robust aluminium body, tidy little LED post light is ideal for use in any modern garden or outdoor area.
