PRODUCT DESCRIPTION

The Augusta Timber Picnic Set is a free standing picnic bench manufactured from pressure treated Redwood. The timber is a natural product and will be subject to movement and weathering as it seasons. This is a quality yet simple product that fits into most environments satisfying the need for seating and dining space outdoors in public or private areas. Great use for pubs and beer gardens as light enough to be moved around as needed.

Our range of timber products are designed to complement each other with close attention to detail to ensure quality and durability throughout the seasons.
