

CONVIVIALE SEAT

Product Code: SFD220

PRODUCT DESCRIPTION

Users will be impressed by the comfort offered by the Conviviale bench. Its aesthetic appearance is in subtle harmony with the other street furniture in the Conviviale line.

Made completely of steel, resistant to bad weather conditions & acts of vandalism, the Conviviale bench offers a long life span without the need for regular maintenance.

- 40 x 40mm steel tubing.
- Perforated sheet steel seat and backrest.
- Slightly angled seat for greater comfort.
- Finish: zinc-plated & painted
- Concrete directly into the ground.
