

ESTORIL SEAT

Product Code: SFD258

PRODUCT DESCRIPTION

The Estoril Seat is a solid, elegant and contemporary design steel seat. This steel seat is in harmony with the Estoril Bench.

The pedestal legs are made from 114mm diameter steel tube. The seat and backrest are made from 2.5mm perforated sheet steel. To finish the steel is Zinc-plated and painted in our RAL colours.

No sharp edges or angles.

To be concreted directly into the ground.
