

CITY VUELTO CYCLE STAND

Product Code: SFD417

PRODUCT DESCRIPTION

The City Vuelto Bicycle Stand is of a contemporary design which will complement its surrounding environment, yet at the same time provides a functional method of bicycle parking and securing. Strongly constructed from 48mm round steel tube for long-lasting service life. Available in two finishes: hot dip galvanised only or hot dip galvanised and powder coated in Anthracite Grey. Can be quickly and easily installed either sub-surface fixed or surface fixed.

*Powder coating may require a longer lead time
