

## SILAOS CYCLE STAND

Product Code: SFD448

### PRODUCT DESCRIPTION

This modern Silaos Cycle Stand features a simple, natural style and provides an easy way to lock up bikes without taking up unnecessary space.

The top is an angled timber surface. There is a symbol of a bike with the wheels of the design doubling as the two holes for a bike chain. Can also be used as a simple bollard, depending on location.

Steel tube and PEFC Certified oak top.

Root Fixed
