

SILAOS PICNIC TABLE

Product Code: SFD232

PRODUCT DESCRIPTION

The Silaos Picnic Table is part of the Silaos® collection and makes an excellent choice for furnishing picnic areas. Made from French Oak slats and a steel tube frame. Timber finish is a water based colour stain preserver in a light oak or mahogany. Steel is finished in a zinc primer available in a range of RAL colours. Wood uses tamper-proof bolts. The set is mounted on base plates for easy installation. Anchor bolts supplied. Product is shipped flat packed for self-assembly.
