

ORGANIC GRP PLANTER

Product Code: SFD620

Stone Earth Terracotta Clay

AVAILABLE COLOURS

PRODUCT DESCRIPTION

The Organic GRP trough planter is an elegantly designed, organic-shaped planter that adds a touch of sophistication to any space, whether it's indoors or outdoors. The Organic GRP planter is available in a range of natural colours and finishes, allowing you to achieve the desired organic look while enhancing the aesthetic appeal of your room or garden.

Whether you're looking to elevate your interior decor or add charm to your outdoor setting, the Organic GRP planter is an ideal choice for adding elegance and natural beauty to your space.

Manufactured from Glass Reinforced Plastic (GRP) (aka fibreglass), they are strong, hardwearing, durable, frost-proof, rust-proof and light weight. Not to be confused with fibre-clay.

Available in two sizes 910 x 410 x 350 and 1800 x 700 x 600 mm

Finishes available Clay, Terracotta, Stone and Earth
